SPECIAL NOTICES.

An Old Fallacy Exploded .-- Thirty or forty years ago, it was the fashion to admit ster powerini purgatives as "spring medimal and jalap, or glanber salts were given is all the members of a family, whether it or wall, by way of preparing them for the warm weather in prospect. This permisious custom is nearly obsolete, but there are some old Bourbons of private life, incapable bells, immortal in song and story. Inside the tinking tongues tell tales of love and of long ago, and awaken hallowed memories and revivify the welrd-like shapes that alike of forgetting anything or learning float amid the shadows of dreamland. system. In order to enable the pliyal structures to resist the enervating effects of spring damps and animer heats, it should be boned and reinforced, not relaxed and weakened. The best medicine agent for this purpose is Hoteleter's formach Stiteru its effect is to note the stomach and liver, genity releved to bowis from obstructions, brace the nerves, improve the quality of the blood, stimulate the appetite and cheer the spirita. In this improved condition the organisation is cambble of resisting unhealthy influences, which would prestrate an enfectled system. A vigorous digestion is absolutely essential to health, and there is no danger of the stomach failtering or failing in its important office if this gental vegetable efficir is taken regularly as a stomachic. None of the touic finctures or extracts will supply the place of the Bitters, for the simple reason that they operate as astringents only. In fact, in order than the products appealing the prescriptions would be required to produce separately the neaseful results, which are effected simultaneously and harmoniomaly by this single specific.
